ABOUT K INC

Company Overview

K INC was founded in 2006 in Junagadh, Gujarat, India with a single, unwavering commitment — supplying genuine, high-quality industrial engineering products at fair prices, underpinned by the ethos of ***"Business with Ethics."***

Over two decades of consistent service have transformed K INC from a local bearing supplier into a globally recognized importer, exporter, and distributor of precision industrial components. Our product range encompasses Bearings, Oil Seals, Sleeves, V Belts, Pillow Blocks, Plumber Blocks, and a wide array of industrial Components — sourced from over 80 trusted global brands.

With a digital presence through our e-commerce platform www.kincstore.com, we serve 800+ active clients across Pan India and 44+ countries worldwide. Our clients range from small machinery repair workshops to large-scale industrial manufacturers across automotive, textile, agriculture, and heavy engineering sectors.

VISION & MISSION

Our Guiding Principles

OUR VISION

To be the most trusted name in precision industrial components globally — a company where every transaction is built on integrity, every product meets the highest quality standards, and every client relationship is a long-term partnership rooted in mutual growth and ethical business practice.

"We envision a world-class industrial supply chain connecting quality manufacturers with industries that power global progress."

OUR MISSION

- Supply only genuine, ISO-certified products across every order and every client
- Maintain transparent, fair pricing with no compromise on quality
- Deliver Pan India and globally with speed, accuracy and reliability
- Build long-term client relationships through consistent after-sales support
- Continuously expand our brand portfolio to meet evolving industrial needs

WHY CHOOSE K INC

Our Competitive Advantage

Genuine Products Only

Every product sourced is 100% genuine from authorised suppliers. No counterfeit, no compromise.

Global Reach

Active distribution across Pan India and 44+ countries with fast, secure logistics.

ISO Certified Products

All products we carry meet international ISO quality standards for performance and reliability.

20+ Years of Trust

Two decades of ethical business have built lasting relationships with 800+ clients worldwide.

80+ Premium Brands

FAG, SKF, NSK, NTN, TIMKEN, NBC and many more — all under one roof.

Fast & Secure Delivery

PAN India shipping with doorstep delivery. Export handled as Merchant Exporter.

PRODUCTS OVERVIEW

Our Complete Portfolio of Industrial Engineering Products

01 BEARINGS

Ball, Roller, Needle, Taper, Thrust, Angular, Spherical, Cylindrical

02 OIL SEALS

Radial shaft seals, axial seals, rotary seals for all industrial applications

03 SLEEVES

Adapter sleeves, withdrawal sleeves for all standard bearing sizes

04 V BELTS

Classical, narrow, wrapped and raw-edge V belts for all drive systems

05 PILLOW BLOCKS

Bearing housed units — pillow block, plumber block, flanged units

06 COMPONENTS

Oil & Grease, locking devices, precision components and accessories

BEARINGS — DEEP DIVE

Precision. Durability. Performance.

BEARING TYPES, WE STOCK

- Deep Groove Ball Bearings
- Angular Contact Ball Bearings
- Spherical Roller Bearings
- Cylindrical Roller Bearings
- Tapered Roller Bearings
- Needle Roller Bearings
- Thrust Ball Bearings
- Super Precision Bearings

KEY APPLICATIONS

Electric Motors	Pumps & Compressors	Textile Machinery	Conveyors
Gearboxes	Automotive	Agricultural Equipment	Heavy Engineering

Top Brands: SKF | FAG | NSK | NTN | TIMKEN | aec | MAX | KINC | INA | ZKL | IKO | NACHI

All bearings supplied by K INC are ISO-certified and sourced from authorised manufacturer channels. We guarantee genuine product authenticity on every order.

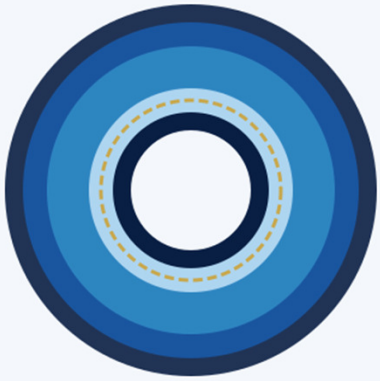

OIL SEALS, SLEEVES & V BELTS

Sealing & Drive Solutions

OIL SEALS (Radial & Axial Shaft Seals)

OIL SEAL (RADIAL)

Oil seals are precision sealing elements that prevent leakage of lubricants and exclude contaminants from rotating, reciprocating or oscillating shafts. K INC carries NBR, FKM, PTFE and EPDM lip seals in all sizes.

Applications: Gearboxes, pumps, hydraulic cylinders, wheel hubs, electric motors, compressors and all rotating equipment.

V BELTS (Classical & Narrow)

V-BELT CROSS SECTION

V-belts transmit power between shafts through friction in a trapezoidal cross-section groove. K INC supplies classical (A, B, C, D, E), narrow (SPZ, SPA, SPB, SPC) and banded V-belts.

Applications: Compressors, fans, agricultural machinery, industrial drives, textile machines, pumps and general power transmission.

SLEEVES (Adapter & Withdrawal)

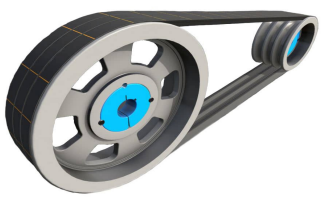

ADAPTER / WITHDRAWAL SLEEVE

Adapter sleeves are essential for mounting self-aligning bearings onto cylindrical shafts. Withdrawal sleeves allow bearings to be removed from tapered bore journals without damage. Available for all standard bearing sizes.

Applications: Industrial conveyors, fans, heavy drives, power plants, mining equipment.

PILLOW BLOCKS & COMPONENTS

Mounted Units & Industrial Accessories

PILLOW BLOCKS, PLUMBER BLOCKS & FLANGED UNITS

Pillow blocks (also known as plummer or plumber blocks) are housings that support a bearing and shaft assembly, allowing it to be mounted on a flat surface. K INC supplies cast iron and pressed steel housings in standard SN, SD, P, F-200 and FYH series, complete with self-aligning spherical roller bearings or ball bearing inserts.

Flanged units (4-bolt, 3-bolt, 2-bolt and pillow block flange) provide flexible mounting options for conveyors, fans, agitators, and material-handling equipment across all industries.

SN Series	**SD Series**	**P Series**
F-200 Series	**3-Bolt Flange**	**4-Bolt Flange**

COMPONENTS, OIL & GREASE

Beyond core bearing products, K INC stocks a comprehensive range of supporting components essential for installation, maintenance and long-term performance of rotating machinery:

- Locking nuts, washers & adapter accessories
- Industrial bearing greases (lithium, high-temp, EP)
- Hydraulic & gear oils for industrial machinery
- Circlips, retaining rings & shaft collars
- Bearing pullers & installation tools
- Bushings & shaft couplings

COMPLETE SOLUTIONS UNDER ONE ROOF

From the bearing itself to every supporting component, lubricant and mounting accessory — K INC is your single-source supplier, reducing procurement time and ensuring compatibility across your maintenance inventory.

INDUSTRIES WE SERVE

Trusted Across All Major Industrial Sectors

Automotive

Engine components, drive trains, wheel hubs and transmissions

Textile & Ginning

Cotton ginning, spinning, weaving and finishing machinery

Oil & Gas

Drilling rigs, pumps, compressors, pipelines and valves

Agriculture

Tractors, harvesting equipment, irrigation pumps and conveyors

Power & Energy

Turbines, generators, power plants and wind energy equipment

Steel & Heavy Eng.

Rolling mills, presses, cranes, hoists and conveyors

Food Processing

Hygienic bearings for packaging, conveying and processing

Cement & Mining

Crushers, ball mills, bucket elevators and vibrating screens

Pumps & Compressors

Centrifugal, reciprocating and rotary pumps across all sizes

Paper & Printing

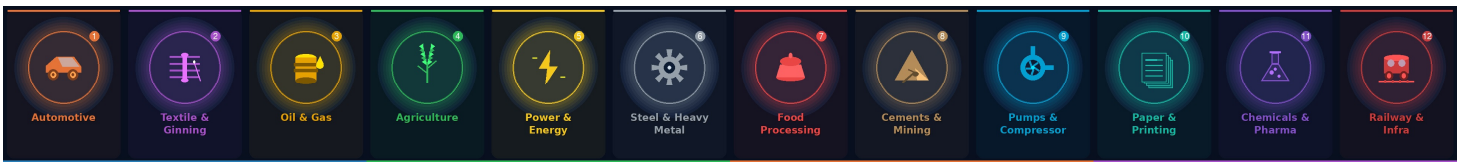

Paper rolls, printing presses, dryers and winding units

Chemical & Pharma

Mixers, reactors, centrifuges and specialty clean applications

Railways & Infra

Rail axle boxes, traction motors and infrastructure equipment

CERTIFICATIONS & QUALITY

Our Commitment to Standards & Compliance

GST

CERTIFIED

GST Registered

K INC is fully GST registered, ensuring transparent, compliant invoicing and seamless Input Tax Credit for all B2B customers across India.

IEC

CERTIFIED

IEC — Import/Export

Holding a valid Importer Exporter Code (IEC), K INC is authorised to conduct international trade — importing premium global brands and exporting to 44+ countries.

MSME

CERTIFIED

MSME Registered

Registered under the Ministry of Micro, Small & Medium Enterprises — qualifying K INC for government schemes, priority lending and MSME benefits.

ISO CERTIFIED PRODUCTS

Every product we supply carries ISO certification from its manufacturer. We source exclusively from authorised channels, guaranteeing that each bearing, seal, sleeve or belt meets international quality benchmarks for precision, durability and performance.

OUR MILESTONES

A Journey of Growth, Ethics & Excellence Since 2006

2006 — **K INC Founded**

Established in Junagadh, Gujarat as a bearing supplier

2008 — **Product Range Expanded**

Added Oil Seals, V Belts and Sleeves to the portfolio

2011 — **IEC Obtained**

Became authorised Importer & Merchant Exporter

2014 — **500+ Client Milestone**

Crossed 500 active clients across Pan India

2017 — **MSME Registration**

Registered with Ministry of MSME, India

2019 — **Global Exports Begin**

Started exporting to Middle East, Africa & SE Asia

2022 — **E-Commerce Launch**

Launched kincstore.com for online B2B/B2C ordering

2024 — **44+ Countries Served**

Expanded global footprint to over 44 countries

2026 — **800+ Active Clients**

Serving 800+ clients globally with 80+ brands

WHY PARTNER WITH US

Our Value Proposition for Long-Term Business Relationships

Choosing a supply partner is a long-term decision. K INC offers more than products — we offer a dependable, ethical, and growth-oriented partnership built over 20 years of consistent delivery.

Single-Window Sourcing

One supplier for bearings, seals, sleeves, belts, pillow blocks and accessories — across 80+ brands.

Bulk & OEM Pricing

Competitive pricing structures for bulk orders, OEM partnerships, and long-term supply agreements.

Quality Assurance

Every consignment verified for authenticity, ISO compliance, and correct specification before dispatch.

Reliable Logistics

Established Pan India delivery network and export documentation handled as Merchant Exporter.

Dedicated Support

Personalised account management for repeat clients, with technical guidance on product selection.

Scalable Partnership

From single-piece spares to container-load export orders — we scale with your business needs.

"When you partner with K INC, you are gaining a supply chain ally committed to your success."
